PUBLIC NOTICE

Notice is hereby given to the general public that **IBRI Education Private Limited** is launching a groundbreaking new startup under the brand name **IBRI EdTech Limited**. This innovative venture is designed to revolutionise the education sector by integrating three major segments into a **single dynamic ecosystem**:

- ✓ **EdTech Platform** – Delivering cutting-edge learning experiences with AI-driven personalised education.
- ✓ **Social Media Platform** – Connecting learners, educators, and industry experts in a collaborative digital space.
- ✓ **E-commerce Platform** – Providing a marketplace for educational resources, digital tools, and skill-based services.

This seamless fusion of **learning, networking, and commerce** is set to redefine the way individuals engage with education, career opportunities, and professional growth.

As part of this transformation, a **new company, IBRI EdTech Limited, is being incorporated**, and upon its successful establishment, the existing entity, **IBRI Education Private Limited, will be closed**.

The necessary regulatory approvals and filings are underway, and the transition is expected to be completed by **April 2025**. The new registered office address will be:

Registered Office:

S.C.O. 339 – 340, Second Floor,
Sector 35B, Chandigarh-160022, India.

All essential agreements and obligations of IBRI Education Private Limited will be seamlessly transitioned to IBRI EdTech Limited, ensuring a smooth experience for all stakeholders.
