IBRI Franchise
Partnership Brief

The Current Education Landscape

1 Academic Pressure

Students face increasing stress and burnout.

2 Engagement Gap

Traditional methods fail to engage modern learners.

3 Holistic Development

Lack of focus on overall student growth.

The Comprehensive Learning Solution

Brain Science Integration

Optimized learning based on cognitive research.

Personalized Content

Tailored learning experiences for individual needs.

Future-Ready Skills

Preparing students for the challenges of tomorrow.

Welcome to **SCHOOL+**

LEARN+ for Schools

CAREER+ for Schools

TEACHER+ for Schools

School Manager ERP

**Integrated NEP 2020 +
Brain Science Learning Approach.**

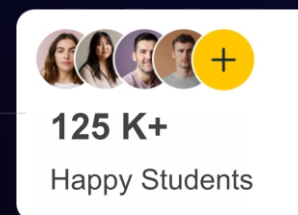

School+ Franchise **Revolutionize Education** **and Earn Royalties**

School+ is a cutting-edge service designed to enhance and modernize school education by integrating advanced digital tools and personalized learning solutions. As a School+ Franchise Partner, you have the opportunity to collaborate with schools, offering them the School+ platform to upgrade their teaching and management systems. By helping schools adopt School+, you not only support their growth but also earn royalties with each successful implementation.

India's First **NEP 2020** + **Brain Science** Based Learning Platform

Learn+ Franchise Centre **Your Path to Success in Education.**

Learn+ offers innovative educational solutions focused on personalized learning, mental wellness, and creative skill development. As a Learn+ Franchise Partner, you have the opportunity to become part of this exciting venture and help expand its presence by selling additional franchise locations. Every time a new franchise opens, you will earn a royalty, creating a lucrative business model with continual income potential.

A Proven Model for Success

Join us as a business partner or franchise to help expand our mission. As a partner, you'll benefit from our strong network, marketing support, and collaborative business models. Empower schools while growing your own business.

Respected Brand

India's pioneer in NEP + Brain Science education.

Sustainable Model

Recession-proof and future-proof educational technology.

- 90% retention rate of partnered schools with School+
- Sustainable, recurring revenue model
- Achieve financial stability more rapidly with a proven business model.

Ideal Franchise Business Partner Profile

Entrepreneurs, education enthusiasts, and professionals looking for a business opportunity with a purpose can apply to become franchise partners. With a small investment and a passion for education, you can build a successful career while contributing to the advancement of learning.

Educational Background

Well-educated with at least a bachelor's degree from a reputable college or university.

Experience

Prior experience in interacting with School Authorities is preferred.

Commitment

Engaged full-time for School+ and Learn+ and willing to be a hands-on owner-manager.

Team Building

Ability to recruit a well-educated Business Development team to grow the business.

Your Path to Partnership

Join hands with IBRI's innovative platforms, School+ and Learn+, and become a part of the future of education. As a Franchise Partner, you will have the opportunity to promote and distribute these transformative education solutions in your region, helping schools and students stay ahead in the digital age. With IBRI's comprehensive support system, no physical office is required, allowing you to operate from the comfort of your space while making a meaningful impact in the education sector.
