Pre-Incorporation Investor Discussions for IBRI EdTech Limited

IBRI EdTech Limited is launching as a **next-generation startup** that seamlessly integrates:

- ✓ **EdTech Platform** – AI-powered personalized learning experiences.
- ✓ **Social Media Platform** – A professional network for learners, educators, and experts.
- ✓ **E-commerce Platform** – A marketplace for educational resources and services.

This **learning, networking, and commerce ecosystem** will transform how education and career development interact in the digital era.

Company Incorporation Timeline

- IBRI EdTech Limited is expected to be incorporated by March 31, 2025.
- Seed funding will commence only after incorporation.

Pre-Incorporation Investor Discussions

Ahead of its formal registration, IBRI EdTech Limited is engaging in **preliminary discussions with pre-identified investors** to explore strategic partnerships and potential investment opportunities.

- **No funds will be accepted before incorporation.**
- **Preliminary discussions are strictly private and by invitation only.**

Investment will be open post-incorporation to the following categories:

- ✓ Angel Investors
- ✓ High Net-Worth Individuals (HNIs)
- ✓ Institutional Investors & Family Offices
- ✓ Venture Capital Firms

Planned Investment Process (Post-Incorporation)

Once **IBRI EdTech Limited is incorporated by March 31, 2025**, the investment process will proceed through **Private Placement**, ensuring full compliance with:

- ✓ **Companies Act, 2013**
- ✓ **Ministry of Corporate Affairs (MCA) & Registrar of Companies (ROC)**
- ✓ **RBI regulations for fund transactions**

Investment Procedure (Post-March 2025):

- Selected investors will receive a **Private Placement Offer Letter (PAS-4)**.
- Share allotment will be completed, and **PAS-3 (Return of Allotment)** will be filed with MCA.
- Transactions will be conducted **only via official banking channels** in compliance with legal guidelines.
