About the Olympiad

The Largest National-Level Vedic Maths Olympiad is a golden opportunity for school students across India to demonstrate their mathematical prowess. This prestigious event is designed to challenge and inspire young minds, fostering a love for mathematics that goes beyond textbooks.

1 Who Can Participate?

Open to all brilliant minds from classes 5 to 12 of all boards!

2 Age Groups

Total of three class groups: Classes 5-7, 8-10, and 11-12.

The Advantages of Vedic Mathematics

- **Sharper Mind and Mental Calculation**
- **Enhanced Problem Solving Capabilities**
- **Speed and Accuracy**
- **Boosted Confidence**

Official World Record Attempt

First time in the world, an Olympiad is poised to set a world record, offering unmatched exposure to all participants and their schools. This is an opportunity for students to excel in Mental Arithmetic through Vedic Mathematics and achieve a world record with up to 10,00,000+ participants across India.

Event Structure

Olympiad

1 **Round 1: Online Exam (District Level)**

Up to 10,00,000 students will compete digitally from home. The top 3 winners per class group (9 students) will get cash prizes, with the first-rankers advancing to the State Level.

2 **Round 2: Offline Exam (State Level)**

3 students from each district will participate in an offline test. The top 3 winners per class group (9 students) will get cash prizes, with the first-rankers advancing to the National Finale.

National Grand Finale → Noida Film City

3 **Round 3: Offline Exam (National Level)**

100+ finalists will compete on 26th October 2025. The top 3 winners per class group will get cash prizes, and Rank 1 winners will be honoured with the Human Calculator Award.
